

BASSONIA ADVENTIST SCHOOL

"I can do all things through Christ."

About Us

Bassonia Adventist School is a kind, friendly and caring private school with a Christian ethos. We are situated in Mulbarton, south of Johannesburg, Gauteng. What first strikes visitors to our school is a sense of welcome, a safe family and community-oriented environment. The atmosphere is vibrant, and learning is embraced as an explorative journey.

The school's curriculum is CAPS aligned and enriched by the Bible-study program of the Seventh-day Adventist church. Our staff are committed and are highly involved with every aspect of the learners' lives at School. At the heart of Adventist education is a belief that children achieve true growth when their mental, physical and spiritual needs are met. With a strong focus on Seventh Day Adventist Christian ethos and family as well as a holistic approach to educating the individual, Bassonia Adventist School provides a balance between the academic, physical and cultural fields. The values of our School are founded on the principle, "I can do all things through Christ which strengtheneth me."

~Phil 4:13 (King James Version)

Family-orientated

Bassonia Adventist School is a small school with a strong family focus. Teachers and learners associate closely together, and parents are encouraged to be proactively involved in their children's education. Latent talents and positive personality traits are thus developed far more readily than is the case in larger schools. Special effort is made to give individualised attention and guidance to each child so we can develop his or her strengths and areas for improvement.

School Hours

We start worship promptly at 07:50 and commence the school day at 08:00. We open our doors at 07:15 to facilitate early drop-off for parents who work. From Monday to Thursday, the Grade Rs close at 13:30, the Grade 1-3s close at 14:00 and the Intermediate and Senior learners close at 14:30. The school closes at 13:00 on Fridays.
